

Ontario Window Rebate Checklist 2026

NorthShield Windows & Doors | northshield.ca | Toronto: (905) 326-3444

Ontario Home Renovation Savings Program -- Active Until November 2026

\$100 per rough opening (window) | \$125 per exterior door | \$5,000 max

No pre-inspection required. ENERGY STAR certified products only.

Eligibility Checklist

- Property is in Ontario (single-family, semi-detached, townhouse, or condo)
- You own the property and pay the heating bills
- Windows to be replaced are exterior-facing (building envelope)
- Products selected are ENERGY STAR certified for Canadian climate zones

What to Collect from Your Installer

- Invoice showing product model number(s) for each window
- ENERGY STAR certification number for each product
- Number of rough openings replaced (listed separately from units)
- Installer name, license number, and date of installation

Application Steps

- Complete your window installation with a licensed contractor
- Gather your invoice and ENERGY STAR product documentation
- Visit ontario.ca and search for Home Renovation Savings Program
- Submit your application with all required documents attached
- Receive rebate payment -- allow 4 to 8 weeks for processing
